

Anshita Dixit

Early Childhood Educator & Child Wellness Specialist

Caring educator and proud NPS parent, currently managing a lively UKG classroom. I combine my Master's degree, strong background in child wellness and years of parent consultation experience to create a warm, safe space for early learners. I specialise in closely observing children, understanding their unique learning styles and delivering foundational lessons to help them transition into formal schooling.

WORK EXPERIENCE

Pre-Primary Teacher
Earlyventions

Achievements/Tasks

- Manage daily classroom activities for LKG and UKG students, creating a warm, safe, and organised learning space.
- Closely observe children to understand their individual habits, likes, and behavioural patterns, keeping mental and written notes to better support their emotional growth.
- Plan and lead engaging storytelling sessions and hands-on art and crafts to build fine motor skills and keep children actively focused.

Independent Health & Wellness Advisor
Amway India

08/2020 - Present

Achievements/Tasks

- Consult with parents and families to understand their daily health needs and gave them simple, easy-to-follow nutrition advice.
- Built strong, trusting relationships with clients by listening to their concerns and regularly checking on their progress.
- Managed daily records and schedules to keep everything organised and running smoothly.

SKILLS

Classroom Management | Patience & Empathy | Student Observation & Record Keeping | Learning through Play | Child Nutrition & Health | Talking to Parents | Teaching Hindi & Storytelling | Arts, Crafts & Drawing | Baking & Sensory Activities | Creative Lesson Planning (Gemini/ChatGPT) | Parent-Teacher Communication | MS Office Suite & Tally

CERTIFICATES

Nutrition & Dietetics, VLCC Institute, Bengaluru
Trained to monitor child nutrition, ensure classroom food safety and hygiene and guide both children and parents toward healthy, enjoyable food alternatives.

Baking & Culinary Workshop, Gokul Kitchen, Mumbai
Completed hands-on training in baking. Excited to bring these skills into the classroom to organize safe, fun and engaging sensory activities (like dough shaping and decorating) for toddlers.
