## Need Help?

### When will I receive my order?

To track your order, go to **Account > My Orders >** Select the order you want to track > **Track Package** to check the status and estimated delivery date.

### Can I change my address once my order is placed?

Once an order is successfully placed, you cannot change the shipping address. Before you complete your transaction, check your shipping address carefully to ensure accurate delivery.

## How can I cancel my order?

You may cancel your order before it is shipped by going to **Account > View All > select Order > Cancel**.

If your order is already shipped by the seller, [chat with us](#) for further assistance.

## Will I be contacted before the delivery of my package?

You may be contacted by our courier partner to confirm your address.

Still have questions? [Contact us](#)

## Notes

For more information, visit our [Help Center](#) or check our [Return Policy](#).

Please note that any transactions made off Daraz violate our Terms of Service. If a seller asks you to pay off-site or through an alternative channel, please do not send them money and report the matter to us.
