Your new long term pass card

Dear ANAND RATNA

We are pleased to present you with your long term pass card. It serves as an important identification document and allows you to stay in Singapore. You may use the SGWorkPass App to read the Quick Response (QR) code printed on back of the card to check your latest pass status.

You must return the card to us once your pass is cancelled, has expired or when a new card is issued to you. If your personal particulars have changed or if you lose your card, you must request for a card replacement immediately. This is subject to MOM's approval and a replacement fee will be charged.

You should retain this letter which contains your pass information. Your employer may wish to keep a copy of this letter for reference.

Yours sincerely

Lim Teck Leong
