**KEYS:**

- Competent:** The presentation was conducted accurately, confidently and with no errors. The student has demonstrated good rapport with the child, knowledge of developmental norms, knowledge of the activity in a broader context, knowledge of the area and synthesis between Montessori theory and practice.
- Competent with recommendation:** The presentation was conducted to a basic level with no major errors. The student has demonstrated a basic awareness of the child. Knowledge of developmental norms, knowledge of the activity in a broader context, knowledge of the area and synthesis between Montessori theory and practice was adequate. Student will benefit from further practice and reading of Montessori texts to deepen understanding.
- Not yet competent:** The presentation was conducted inaccurately. Student was unable to present the activity to a basic level of proficiency or demonstrated no understanding of developmental norms, the activity in a broader context, of the area nor synthesis between Montessori theory and practice.
- Not yet done:** Student still needs to attempt.
