Course Progress Status - Summary

This page summarises information relating to course progress status and completion. Information on this page must be read in conjunction with the [University General Rules for Academic Courses](#). You should refer in particular to Regulation 1.1.1.1.7 relating to Qualification for Award, and the Rules relating to your course as set out in the Rules section of the [University Handbooks](#).

Details below relating to course completion and to credit points passed and achieved may be subject to ratification by the faculty Boards of Examiners and will be final only once results have been officially released by the University. To find out when results are being released, you should check [askUWA](#).

41680 - Master of Commerce - Coursework (ENROLLED)

Progression Measures

Please note that if you wish to discuss any of the information in this section, you should contact your [Faculty Adviser](#).

Course GPA 5.375

Course WAM 68.250

Course Progression Status GOODSTAND [\[What does this mean?\]](#)

If you have outstanding (not available) results at the time of release of results, or you are scheduled to sit a supplementary or deferred examination, please note that your progress status is provisional and subject to change once any outstanding or additional results have been supplied.
