Chief Executive Officer
Indus Trust

Professor Kevin Mattinson
Associate Dean, Head of School of Education
Birmingham City University

The ITARI programme of Initial Teacher Training is designed to meet the needs of Indus International Schools. The structure and requirements of the programme are heavily based on a PGCE programme such as that delivered by Birmingham City University.

The programme includes taught elements covering key aspects of education, pedagogy and professional studies; academic study and assessment; school experience, and successful demonstration of a set of professional competencies which are closely aligned to the national Teachers' Standards used in England.
