EIU-Paris was founded with a vision to offer international-type programs and qualifications to the global student market. Instead, EIU-Paris offers a range of international-type degree programs such as BEd, BSITDS, BBA, MBA, MSJET, MSMHP, MSITDS, DBA, DMan, EdD, PsyD, and PhD.

With its international focus and reach, EIU-Paris holds international accreditation from the Accreditation Service for International Schools, Colleges, and Universities (ASIC). The university received Premier University status from ASIC, UK, on 2nd October 2018. ASIC is recognized by UKVI in the UK and is a member of the CHEA International Quality Group (CIQG) in the USA, listed in their International Directory. ASIC is also a member of the British Quality Foundation (BQF), an affiliate of the European Network for Quality Assurance (ENQA), and an institutional member of the European Distance and E-Learning Network (EDEN).

### Programmatic Accreditation Pursuit

EIU-Paris is currently pursuing programmatic accreditation from the Accreditation Council for Business Schools and Programs (ACBSP), United States, after obtaining accreditation candidacy status.

### Recognitions and Rankings
