Accreditation: The Abu Dhabi University has been granted Accreditation Eligible (AE) status for each of its undergraduate and postgraduate academic degree programs by the Ministry of Higher Education and Scientific Research of the United Arab Emirates.

Course: One course is composed of three credit hours or the equivalent of 45 contact hours per semester plus 2 clock hours for final examination.

Course Load: The academic year is divided into two semesters of up to fifteen weeks each. The required credit load of each semester is 3-18 credit hours.

Grading System: Letter grades are awarded; numerical equivalents are used for the calculation of averages.

Transfer Credit: Grades earned in courses transferred to ADU are not included in the calculation of the grade point average. The number of credits will apply to specific degree programs but the grade point average is determined on the basis of grades earned at ADU.

Repeated Courses: The repeated courses will show both the original and repeated grades. Only the highest obtained grade will be counted towards the calculation of the student's semester and cumulative GPA in both semesters the student has taken the course.
