Verification of South African Qualifications -
Gerard Sherwin Pillay Identity Number: 8501045058087

The South African Qualifications Authority (SAQA) is a statutory body, regulated in terms of the National Qualifications Framework Act No. 67 of 2008 and is mandated by legislation to oversee the development and implementation of the National Qualification Framework (NQF). The verification of qualifications resides in the overarching quality assurance role that SAQA performs.

It is a strategic imperative of the organisation to support and direct the national and international mobility of lifelong learners, including workers, by facilitating the recognition of their learning achievements.

SAQA is pleased to perform this verification, via its National Learners' Records Database.

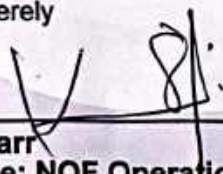

The verification results are as follows:

Qualification	NQF Level	Institution	Year	Found
Masters of Arts: English Studies	Level 09	University of The Western Cape	2022	Yes

The achievement of this qualification is thus confirmed.

We look forward to being of further service to you in the future.

Yours sincerely
