Dear Andre Esnard,

We want to sincerely thank you for using Educational Institute materials in your hospitality course. In recognition of your efforts to advance hospitality professionalism, we are enclosing a certificate of appreciation. We hope you will display it in a prominent place so that others can see that you are working with the industry.

As you continue to use Educational Institute materials, you will receive a certificate the first time you teach each course, as well as a credit for having taken the course. In addition, we will send you an attractive Educational Institute mug after you have taught five courses, and an impressive plaque after twelve courses. This is the Institute's way of saying "thank you" to someone who cares about the future of the hospitality industry.

Please don't hesitate to call on us if we can be of any assistance to you.

Best Personal Regards,

Robert L. Steele III
