**Verification of South African Qualifications -
Charlton van Rooyen - Identity Number 8509055041083**

The South African Qualifications Authority (SAQA) is a statutory body, regulated in terms of the National Qualifications Framework Act No. 67 of 2008 and is mandated by legislation to oversee the development and implementation of the National Qualifications Framework (NQF).

The verification of qualifications resides in the overarching quality assurance role that SAQA performs.

It is a strategic imperative of the organisation to support and direct the national and international mobility of lifelong learners, including workers, by facilitating the recognition of their learning achievements.

SAQA is pleased to perform this verification, via its National Learners' Records Database.

The verification results are as follows:

Qualification	NQF Level	Institution	Year	Found
Higher Certificate in Counselling and Communication Skills	Level 05	The South African College of Applied Psychology	2020	Yes
Bachelor of Applied Social Science	Level 07	The South African College of Applied Psychology	2023	Yes

The achievement of these qualifications is thus confirmed.

We look forward to being of further service to you in future.

Yours sincerely
