**Verification of South African Qualifications -
Saieshan Govender - Identity Number 9409195059088**

The **South African Qualifications Authority (SAQA)** is a statutory body, regulated in terms of the *National Qualifications Framework Act No.67 of 2008* and is mandated by legislation to oversee the development and implementation of the National Qualifications Framework (NQF).

The verification of qualification resides in the overarching quality assurance role that SAQA performs.

It is a strategic imperative of the organization to support and direct the national and international mobility of life learners, including workers, by facilitating the recognition of their learning achievements.

SAQA is pleased to perform this verification, via its National Learners' Records Database.

The verification results are as follows:

Qualification	NQF Level	Institution	Year	Found
Bachelor of Education (Foundation Phase)	Level 07	University of Kwazulu-Natal	2017	Yes

The achievement of this qualification is thus confirmed.

We look forward to being of further service to you in future.

Yours sincerely
