## **Letter of Reference for Eleanor Kelly**

To whom it may concern,

I am writing to wholeheartedly recommend Eleanor for any teaching position within your esteemed institution. I have had the pleasure of working closely with Eleanor for the period of **September 2011 - June 2024** at Acacia International School, where she served as a dedicated and passionate primary school & nursery teacher.

Eleanor has demonstrated exceptional skills and commitment to providing high-quality education in accordance with the British curriculum. She possesses a deep understanding of the curriculum requirements and has consistently implemented innovative teaching strategies to engage and inspire her students. Her ability to create a nurturing and inclusive learning environment has greatly contributed to the academic and personal growth of her students.

Over the many years of service, Eleanor has not only been a valued and trusted teacher, she has also undertaken additional roles and responsibilities including administrative duties going above and beyond the expectations of a class teacher. Her organisational skills and commitment to the development and operation of the school have been commendable. Eleanor proactively shows great initiative in her duties and displays an excellent work ethic.

Throughout her tenure at Acacia, Eleanor has exhibited professionalism, integrity, and a genuine passion for teaching. She has actively participated in staff meetings and professional development opportunities, making invaluable contributions to the school community.

It is with deep regret that Eleanor has been released from her position due to redundancy. However, I have no doubt that she will continue to excel in any future endeavours. Her positive attitude, resilience, and dedication to the field of education are truly commendable qualities that will undoubtedly benefit any organisation fortunate enough to have her on their team.

In conclusion, Eleanor is an outstanding educator who has made a lasting impact on the lives of her students and colleagues alike.

Yours faithfully,

Mr M Leslie
