UNIVERSITY OF GREENWICH

Student Transcript

> **Please note:** The information on this page is **NOT** an official notification of your results. In accordance with University Academic Regulations, all grades are provisional until confirmed by an Exam Board - known as a Progression and Award Board (PAB). The University will notify you formally of your confirmed grades in your official Student Results Letter, which will be published in the 'Student Services' area.
>
> If a grade is displayed in Red this means that the grade has not yet been prepared by your faculty for submission to the Progression and Award Board (PAB) and may still be subject to change. If a grade is displayed in **Black** this is provisional until confirmed by the Progression and Award Board (PAB) and published in your Student Results Letter.
>
> Where a grade has been amended it will have a Reason Code other than OE (Original Entry) displayed, this provides information on the reason for any changes to grade. A Reason Code Legend is displayed at the bottom of the page.
>
> In some cases a grade may not be awarded due to missing marks, in these instances NE (no grade - extension), NM (no grade - missing) will appear in the grade column of the transcript for NN (no grade - no show) "Absent" will appear in the grade column of the transcript.
>
> If there is a module with a Grade Mode of Transfer, this indicates that Recognition of Prior Learning (RPL) has been transferred onto your student record for those modules. This signifies that a you have been credited with a module or several modules within the current module catalogue.
