**Verification of South African Qualifications -
Michelle Kim Bell - Identity Number 7505250028082**

The **South African Qualifications Authority (SAQA)** is a statutory body, regulated in terms of the *National Qualifications Framework Act No. 67 of 2008* and is mandated by legislation to oversee the development and implementation of the National Qualifications Framework (NQF).

The verification of qualifications resides in the overarching quality assurance role that SAQA performs.

It is a strategic imperative of the organisation to support and direct the national and international mobility of lifelong learners, including workers, by facilitating the recognition of their learning achievements.

SAQA is pleased to perform this verification, via its National Learners' Records Database.

The verification results are as follows:

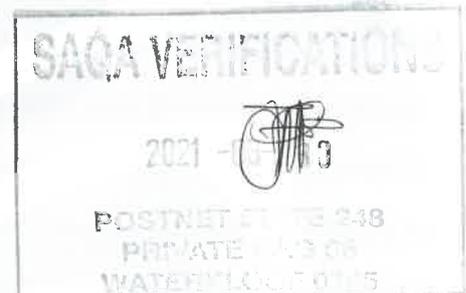

Qualification	NQF Level	Institution	Year	Found
Bachelor of Technology: Education: Post School	Level TBA: Pre-2009 was L7	Tshwane University of Technology (previously known as Technikon Pretoria)	2002	Yes
Master of Technology: Education	Level 09	Tshwane University of Technology	2008	Yes

The achievement of these qualifications is thus confirmed.

We look forward to being of further service to you in future.

Yours sincerely
