This official transcript has been delivered to the recipient, and is intended solely for use by that recipient. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

Printed Transcript:

If you have received this transcript as a printed document, you may verify the authenticity by testing the security features noted on the document.

Electronic Transcript:

If receiving electronically, this official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or Adobe® Reader. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Parchment, with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The Blue Ribbon Symbol: The blue ribbon is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

Invalid: If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Author Unknown: Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.

ACADEMIC CALENDAR / CREDITS

American College of Education operates on 5 week terms, 8 terms per year for Master/Bachelor level programs and 10 week terms, 4 terms per year for Doctorate level program/certificates.

Until January 01, 2013, the College operated under the quarter credit system. As of January 2013, the College began offering semester credit programs and courses to all new incoming students, all re-entering students and all students changing their program. Semester credits for all other students began June 03, 2013. Beginning June 2013, all quarter credits were converted to semester credits. All cumulative totals for students who have attended under both types of credit are expressed in semester credits. All credits on this transcript have been converted to semester credits using this formula: quarter credits were converted to semester credits by dividing the number of quarter credits by 1.5 (for example, 36 quarter credits ÷ 1.5 = 24 semester credits).
