With all the rights and privileges thereto pertaining.

Given in the City of Pasadena in the State of California
this twenty-first day of August, two thousand and twenty-four.

SHAI RESHEF
PRESIDENT

MARIE A. CINI
PROVOST

August 28, 2024

Dear Tar Malar,

On behalf of the faculty and administration at University of the People, I would like to extend to you the warmest congratulations on your graduation. You have worked very hard to complete your degree, and I commend you for all that you have achieved as a student at University of the People.

Graduation marks the end of your time as a student at UoPeople and consequently, the first day of your life as an alumnus. On behalf of all of us here at UoPeople, I would like to personally welcome you to the UoPeople alumni family!

In the months and years ahead, as we build the UoPeople Alumni Society, I invite you to remain actively engaged with the University and would love for you to have a continuing role in helping us build and support our mission.

Today, there remain thousands of potential students who require financial assistance and cannot afford to pay even our minimal fees. Now that you have completed your tuition-free degree, I ask that you help us open the gates of higher education to others who also deserve the opportunity to go to college.

I hope that you will consider donating a small amount to support future UoPeople students. With your help, UoPeople could become even more affordable and accessible than ever before. By paying it forward, you are helping to build a community that supports future generations of students as they accomplish their goals. Together, we will change the world.

I wish you great luck and success as you enter the next phase of your life, and hope that you continue to accomplish your goals. Please share your experience as a student at UoPeople with your family and friends and keep us updated about your accomplishments down the road.

I am so proud of you, as you should be of yourself, for this laudable achievement.

From all of us here at UoPeople, congratulations and best wishes,

Shai Reshef
