Grading Details

1. **Credit:** A unit by which the course work is measured. A learner who passes the course with P grade or better will receive full credits specified for a course. A learner obtaining R grade will receive zero credits and is required to reappear and secure a pass.
2. **Programme:** A programme leading to award of a degree, diploma or certificate.
3. **Grade Points:** Each letter grade is allotted a numerical value on a 10-point scale. Grade Points are obtained by multiplying the Credits with the Numerical values allotted to the Grade.
4. **Eligibility to Pass:** A student shall be declared to have passed in a course,
 - i. If he/she secures a minimum of 40% marks in the end semester examination.
 - ii. Securing at least 40% in the aggregate of continuous assessment and semester end examination scores.
5. **SGPA & CGPA:**

The Semester Grade Point Average (SGPA) is a weighted average of grade points received by a student for all the courses in the semester.

The Cumulative Grade Point Average (CGPA) is the weighted average of all the grade points received by a student for all the courses in the programme.
