RE: ADMISSION TO THE ADVANCED DIPLOMA FINANCIAL MANAGEMENT

I am seeking admission to the Advanced Diploma in Financial Management to empower myself in my career. I completed my N6 Certificate in Financial Management in 2018. Unfortunately I have not obtained the necessary practical work experience to obtain my diploma. I currently occupy the position of Portfolio Consultant in the short term insurance division at Alexander Forbes Insurance.

I have obtained awards for Top Consultant in the growth of my portfolio in October 2018 and Top Consultant in the Western Cape in June 2019. I feel that I have reached my peak in the short term insurance division and I have to advance in my career.

Currently I have the time at hand to take on extra studies and I have a good support system at home. I am hardworking and have a strong numeric ability to take on this course. I am finding myself in a place where my career growth prospects are limited. The only way I can advance myself is to further my studies in order to reach my goals. I am willing to set aside the time for this programme and will do everything in my ability to achieve it in 2020.

I hope you consider my application favourably as this is of utmost importance to me and will be a coping mechanism for the next year.

Thank you for your consideration.

Kind Regards

Tracy Sedeman
