-

PEDAGOGICAL & MENTORSHIP EXPERIENCE

Focusing corporate leadership milestones through an educational and training lens.

Senior Financial Mentor & Specialist Advisor | NTT Data Services

November 2017 – Present | Bangalore, India

- **Instructional Frameworks:** Developed and structured standardized financial reporting modules for a Global Center of Excellence (COE), training teams to reduce manual operational overhead by 20%.
- **Case-Based Business Education:** Acted as a primary financial educator and strategic business partner to executive leadership; created live diagnostic financial models to teach non-finance sector heads about margin expansion and investment ROI.
- **Professional Mentorship:** Supervised and mentored financial analysts, guiding them through rolling forecast mechanics, revenue assurance, and advanced automation applications.

Corporate Financial Educator & Deputy Manager | Oracle India

June 2007 – April 2016 | Bangalore, India

- **Curriculum Development:** Designed bespoke financial tools and analytical workflows implemented across a 30,000-employee R&D business unit.
- **Strategic Facilitation:** Translated complex analytics regarding market linearity, sales productivity, and pipeline coverage into structured, accessible learning decks for multi-tier executive stakeholders.
- **Team Capacity Building:** Mentored junior accounting professionals in managing complex Annual Operating Plans (AOP) and rolling forecasts across a \$300M sales territory.

CHRONOLOGICAL CORPORATE HISTORY

- **Specialist Advisor** | NTT Data Services | *Nov 2017 – Present*
 - Steered financial strategy for a combined \$160M portfolio across Financial Services and BFSI consulting.
- **Senior Professional** | DXC / CSC Technologies | *Apr 2016 – Nov 2017*
 - Managed contract reviews, deal pricing strategy, and working capital optimization resulting in \$5M+ accounts recovery.
- **Deputy Manager Finance** | Oracle India | *Jun 2007 – Apr 2016*
 - Provided complete financial controllership and strategic budgetary direction for a \$750M business unit.
- **Analyst / Corporate Accountant** | Accenture & Shipping/Education Sectors | *Aug 2002 – Jun 2007*
 - Managed localized P&L statements, balance sheets, payroll analysis, and foundational working capital portfolios.

PERSONAL INTERESTS & REGIONAL VISION

- **Academic Contribution:** Eager to lead university and high school business clubs, mentoring students on startup unit economics and real-world corporate fundraising cycles.
- **Global Focus:** Relocating to South East Asia to share global corporate practices within regional emerging international hubs.
