

THOUHEED M

Middle & High School Science Teacher (Chemistry & Biology)

Phone: [+917348943922] | Email: thouheedmnbr1001@gmail.com]

Location: Kerala, India (Willing to Relocate)

PROFESSIONAL SUMMARY

Enthusiastic and adaptable Middle and High School Science Educator with a strong academic foundation in Genetics, Biochemistry, and Biotechnology. Experienced in delivering structured, engaging, and clear science instruction for middle and high school students. Adept at breaking down complex scientific concepts into accessible lessons, fostering student curiosity, and creating a supportive learning environment. Backed by solid theoretical knowledge, food safety certification, and demonstrated leadership gained through national-level competitive evaluations.

EDUCATION

*** Bachelor of Science (B.Sc.) in Genetics, Biochemistry, and Biotechnology**

Indian Academy Degree College (Autonomous), Bengaluru North University

* Duration / Completion: 2020 – December 2024

* Focus: Comprehensive core studies in molecular biology, biochemistry, and chemical sciences.

CERTIFICATIONS & PROFESSIONAL CREDENTIALS

*** Highfield Level 3 Award in HACCP for Food Manufacturing (RQF)**

* Issued: October 2023 (No Expiration Date)

* Significance: Demonstrates training in safety protocols, risk assessment, and systematic quality control.

*** 120-Hour TEFL Certification (Currently in progress / Preparing to complete)**

* Significance: Equipping international classroom methodologies for English Language Learners.

CORE SKILLS & COMPETENCIES

* **Pedagogy & Instruction:** Chemistry Instruction, Biology Instruction, Secondary Science Education, Lesson Planning, Curriculum Execution, Interactive & Inquiry-Based Teaching.

* **Classroom Management:** Student Engagement, Differentiated Instruction, Active Learning Environments, Student Rapport Building.

* **Professional Strengths:** Concept Simplification, Structured Tutoring, Analytical Reasoning, Cross-Cultural Adaptability.

LEADERSHIP & ACHIEVEMENTS

* National Screening & Selection (AFCAT / AFSB): Successfully cleared the **Air Force Common Admission Test** (AFCAT) and completed Stage 1 screening for the **Air Force Selection Board** (AFSB), showcasing high levels of discipline, analytical reasoning, and leadership capabilities.

PERSONAL INTERESTS

* Sports, Fitness & Jogging, Exploring Nature, Traditional and Cultural Arts.
