

ABOUT ME

Early Years English Teacher with experience guiding children from **Pre-K to K3**, ages two to six, through the **EYFS framework**. I design lessons where **phonics, stories, songs, crafts, and role-play** are not just activities but gateways to discovery, confidence, and communication. **My teaching blends structure with imagination, routines provide security, while creative play sparks independence and cooperation**. I believe every child deserves to **feel safe, supported, and inspired**, and I work closely with parents and colleagues to make learning a shared journey that celebrates growth and creativity.
