OBJECTIVES

I am a Primary Teacher with a comprehensive and impressive track record, boasting around years of invaluable industry experience.

- To create engaging and interactive lesson plans that cater to the diverse learning needs of students.
- To effectively manage classroom behavior and promote a respectful and inclusive classroom culture.
- To assess student progress and provide timely feedback to students and parents.
- To provide a safe and positive learning environment for students.

PROFESSIONAL SUMMARY

- Primary teachers are responsible for teaching students in the early grades of elementary school, typically from kindergarten to 5th grade.
- Primary teachers must have a strong understanding of child development, curriculum standards, and effective teaching strategies.
- They create lesson plans, deliver instruction, assess student progress, and communicate with parents and colleagues.
- They often work collaboratively with other teachers, support staff, and administrators to create a positive learning environment for students.
- Primary teachers play a crucial role in helping students develop foundational skills in reading, writing, math, and other subjects.
- They must be patient, creative, and empathetic in order to meet the diverse needs of their students and help them succeed academically and socially.
