PROFILE SUMMARY

My Life Philosophy

"All of our dreams can come true if we have the courage to pursue them"

My aim is to associate with a **Prestigious School**, that allows me to put my competencies to the best use, to add value to the skill sets that contributes to my overall growth as an individual.

- To secure a job as a **Teacher** in order to expand my career with a well-established school. I also seek to assist students in developing artistic skills through creative **art classes, brush pen calligraphy, handwriting improvement and pen mandala classes.**
- Demonstrated strong classroom management skills, creating a positive and disciplined learning environment conducive to effective learning.
- Actively participated in faculty meetings, professional development workshops, and parent-teacher conferences, contributing to the school community and student success.
- Motivated students to develop formal and creative writing skills, and knowledge to provide an effective educational foundation, in accordance with each student ability.
- Planned & implemented study program of instruction that adhered to philosophy, goals, and objectives of the Board, as outlined in adopted courses of study.
- Presented subject matter to students to maximize learning opportunities and provided real-world, application-based examples and learning opportunities.
- Throughout my educational glimpse, I have developed my self-discipline, motivation, and the ability to work under pressure to achieve targets and how to relate positively and confidently to people from all walks of life.

ACADEMIC

- B. Tech Information Technology**
